WWW.ALLPROCESSINC.COM

Transforming processes and standards with innovation.

At All Process, Inc. we provide cutting edge and reliable solutions to your process and quality control applications to ensure enhanced productivity and efficiency.

We are proud to be **providers of leading global brands**, offering top-quality products and innovative solutions to meet your needs.

**VACUUM
BARRIER** VBC
CORPORATION

CATEGORIES:

- Food & Beverage
- Cryogenic & Manufacturing
- Pharmaceutical & Healthcare

Vacuum Barrier designs, engineers and fabricates LN2 dosing and piping systems for Food & Beverage, Semiconductor, MBE, Pharmaceutical, Biotech, and Cannabis industries. We provide a custom or standard LN2 solution and become your one-source for a complete system.

CATEGORIES:

- Food & Beverage
- Cryogenic & Manufacturing
- Pharmaceutical & Healthcare

API CRYOGENICS

The process division of **API Cryogenics** specializes in the design, development, and manufacture of cryogenic systems, providing sustainable and cost-effective solutions including generators, tanks, dewars, and piping systems. Applications include LNG, LIN, LOX, H₂, and CO₂ recovery plants.

CATEGORIES:

 Food & Beverage

 Pharmaceutical & Healthcare

Fedegari is your industrial partner offering solutions on sterilization and biodecontamination from design to plant validation, accompanying the customer from idea to production. Delivering highly customized solutions for the bio/pharmaceutical industry.

CATEGORIES:

 Food & Beverage

 Cryogenic & Manufacturing

 Pharmaceutical & Healthcare

Data Trace provides patented, wireless data loggers for measuring and recording temperature, humidity and pressure for the food, pharmaceutical, healthcare and several other industries.

CATEGORIES:

 Food & Beverage

 Manufacturing

 Pharmaceutical & Healthcare

Torqo and SureTorque are the recognized world's leading cap torque analyzers for every type of bottle cap including child resistant caps.

CATEGORIES:

 Food & Beverage

 Manufacturing

 Pharmaceutical & Healthcare

GlobePharma systems serves the pharmaceutical, food, nutraceutical, automotive and cosmetic industries with solid-dosage form equipment from lab to pilot scale including samplers, blenders, tablet presses, cGMP valves and other process equipment.

DOHMEYER

CRYOGENIC • FREEZING • PRECISION

CATEGORIES:

 Food & Beverage

 Cryogenic & Manufacturing

 Pharmaceutical & Healthcare

Dohmeyer is a global manufacturer of cryogenic refrigeration systems for the food processing, pharmaceutical, aeronautic, plastics and steel industries. Developer of innovative chilling and freezing solutions specializing in cabinet, in-line tunnel, immersion and spiral freezers.

surepurity
Limited

CATEGORIES:

 Food & Beverage

 Pharmaceutical & Healthcare

Sure Purity designs and manufactures filtration systems for CO₂ and nitrogen. Its award-winning technology is approved by leading beverage and pharmaceutical brands, ensuring a cost-effective solution to protect product quality and user reputation.

BRAM-COR[®]
PHARMACEUTICAL TECHNOLOGIES

CATEGORIES:

 Food & Beverage

 Manufacturing

 Pharmaceutical & Healthcare

BRAM-COR provides water processing systems (WFI, PW, PW, Reverse Osmosis, etc.) with minimum energy consumption. Other services include: designing, building, documenting and validating biopharmaceutical processing plants and for the healthcare industry which are compliant with the latest requirements of the pharmaceutical sector.

CATEGORIES:

 Food & Beverage

 Manufacturing

 Pharmaceutical & Healthcare

Munson Machinery provides high-performance mixing, blending, and size reduction equipment for the food, chemical, pharmaceutical, and other processing industries.

CATEGORIES:

 Cryogenic & Manufacturing

 Pharmaceutical & Healthcare

Herose supplies high-quality, safety-focused valves for cryogenic and industrial applications, serving sectors such as energy, healthcare, and manufacturing.

All Process, Inc. works hand in hand with NCM International to offer comprehensive solutions for processing and quality control. Thanks to this alliance, we combine technical expertise, top-tier service, and a selection of leading products to ensure more efficient, reliable processes tailored to meet the industry's most demanding needs.
